

MECC Bookstore:

Although closed to the public, MECC Bookstore has been and will continue to work on programs to meet student's needs regarding textbook purchasing and rentals, buyback, rental returns, student ID's/Parking Passes, and Cap and Gowns. Each of these is addressed below:

Textbook Purchases/Rentals:

Students can still obtain the course materials needed for their classes by purchasing/renting their textbooks at <http://bookstore.mecc.edu>. There are tutorials in the form of a step-by-step guide or video, that can be found under the help tab, to assist students with purchasing their textbooks on-line at our website.

Buyback and Rental Returns:

Students can return their textbook rentals and even sell their books back in person at MECC Bookstore. Thanks to door service, we can offer these two services in person again. Students can visit our website or Facebook page for dates and times these services will be available. Please be sure to wear a mask and maintain social distancing when entering the building. Students who may not be comfortable with visiting the campus in person, can still ship their rental returns to MECC Bookstore and sell their textbooks on-line at our website. Please be sure to ship return rentals in time to arrive by the deadline.

Please note that students are still bound by the rental agreement and are required to return all rental textbooks.

Student ID's/Parking Passes:

Due to the limited number of students on campus, students will not be required to obtain a student ID or parking pass. However, clinical badges will still be required and can be obtained by following the temporary student ID procedures.

Cap and Gowns:

Cap and Gowns are now available for purchase at our website and can be found under Merchandise>Graduation>Grad Supplies. For more information on sizing, please visit "Cap and Gowns" under our Help tab.
